

Dear Kath and David,

I wish to express my thanks to you for the prayer seminar you ran in May 2011. It was a breath of fresh air, a time to refocus priorities and reconnect with God.

Enlightening. I have been 40 years on the Christian walk and had never considered some of the doorways to prayer that you opened up for us. You have helped us appreciate one another in our congregation and enabled each of us to be ourselves and develop in our communication with God. Thanks a million for this.

It has been stimulating to again realize our priesthood responsibility – our sacred obligation to all Gods people and to His creation. Prayer does change lives – it is changing mine again and others in our congregation.

Thanks too for reconnecting us again to Gods word. We often just want the 'big picture' or 'story'. It is invigorating to meditate on a few words that open up key elements of Gods dealings with mankind and with us as specific individuals.

Thanks for the blessing you have brought us. May you continue to be a blessing to others and be blessed yourself.
